COMMERCIAL OFFER

Fujitsu / General HVAC

03 November 2026

Dear Sir or Madam,

We offer a stock lot of new Fujitsu / General air-conditioning equipment in original factory packaging, located in France. Full-lot and partial purchases are available.

FULL-LOT PRICE	EUR 8,881,700
Total quantity	22,939 individual units
Average per unit for a full-lot purchase	EUR 387.19 per unit

The average applies only to a full-lot purchase. It is not an individual model price and does not apply to selective orders.

STOCK COMPOSITION

Outdoor units for mono-split, multi-split and commercial systems; wall-mounted, cassette, ducted, console and floor/ceiling indoor units. Refrigerants: R-32 and R-410A.

■■■■■ / Brand	Outdoor	Indoor	Total
Fujitsu	5 028	10 763	15 791
General	830	6 318	7 148
Total	5 858	17 081	22 939

Indoor and outdoor units are counted separately, not as complete systems. Compatibility and system configuration are confirmed for each order.

PARTIAL PURCHASES & LOGISTICS

Please send the models, required quantities and delivery destination for a separate quotation. Upon request, we arrange end-to-end logistics, including warehouse collection, transportation and delivery to the agreed destination. Logistics costs and terms are quoted separately based on shipment volume and route.

TERMS

Availability, quantities, completeness, compatibility, tax treatment, payment, delivery and warranty terms are agreed before order confirmation. Inclusion of VAT, delivery or additional services in the price has not been confirmed. Supply is subject to applicable export controls and other restrictions.

Kind regards, Robert Hoffmann | K&H TRADING GMBH

Fujitsu / General — Equipment catalogue

K&H TRADING GMBH

RRP values are catalogue references, not selling prices. Partial orders are quoted on request.
