SLASH

Slash, un progetto da rivestimento in bicottura generato da un attento studio degli smalti e da un particolare ‘color care’ per la ricerca di colori moderni idealmente suddivisi in ‘frizzanti’ e ‘naturali’.

Slash: una nuova proposta ceramica contemporanea, energica di colore.

Slash is a double-fired tile generated by a careful study of enamels and a special ‘color care’ research system that divides modern colours into ‘sparkling’ and ‘still’.

Slash: a new, contemporary ceramic project energised by colour.
